With a sensational live band and experienced singers, actors and dancers, **»FAUST – The Rock Opera«** is performed as an enjoyable rock show, exclusively using the texts of Johann Wolfgang von Goethe. Composer and librettist Dr. Rudolf Volz, in co-operation with the production by Manthey Event GmbH, tells the well-known story of Dr Heinrich Faust in an ingenious manner with over 29 rock and pop songs. The arrangements, costumes and set are influenced by '70s rock music, while the staging is based on the folk play traditions from the time before Goethe, making the whole show a cross between a rock concert, musical and folk play. The live show consists of two halves, running for 65 and 75 minutes including encore.

The Faust story has been around for centuries. It's a very old plot which has often been transformed throughout the course of its performance history. Johann Wolfgang von Goethe made it one of the most prominent pieces in German and world literature. The performances of **»FAUST – Part I«** and **»FAUST – Part 2«** have grown in scale over the centuries, with music by classical composers.

Having put on almost 600 shows, **»FAUST – The rock opera«** is the most performed version of FAUST with original texts ever!

**»FAUST – The Rock Opera«** is also performed as an event for school students.

***The rock opera promises a fun evening with devilishly good entertainment.***
